#### **Description:**

GRINDING MILL SYSTEM (SALT WELLS BLDG 15730) consisting of: A milling system made by Fluid Energy Aljet, Inc., model 0202 Jet-O-Mizer, capable of processing up to 100 lbs of material per batch and is equipped with a vibratory feeder, dust collector/HEPA Filter, and exhaust fan. This mill operates in a closed room and is vented to the integral dust collector/HEPA filter. The dust collector/filter is used for safety reasons and not for air pollution control purposes. The primary purpose of this mill is to remotely size ammonium perchlorate, RDX, HMX, and other energetic materials for research and development.

#### **CONDITIONS:**

1. This equipment shall be installed, operated and maintained in strict accordance with those recommendations of the manufacturer/supplier and/or sound engineering principles which produce the minimum emissions of contaminants. Unless otherwise noted, this equipment shall also be operated in accordance with all data and specifications submitted with the application for this permit. [District Rule 204]

2. This equipment shall only be used to grind explosives or other material for research and development. [District Rule 204]

3. The owner/operator shall maintain operating logs which contain at least the following information:

- a. Date, time, and duration of each use; and
- b. Type and amount of material processed.

The logs shall be maintained current, on-site for a minimum of five (5) years, and made available to District personnel upon request. [40 CFR 63.10(b), District Rule 204]

Fee Schedule: 1 (a)

Rating: 3 bhp

SIC: 9711

SCC: 30180001

Location/UTM(Km):  
450E/3946N

This permit does not authorize the emission of air contaminants in excess of those allowed by law, including Division 26 of the Health and Safety Code of the State of California and the Rules and Regulations of the District. This permit cannot be construed as permission to violate existing laws, ordinances, statutes or regulations of this or other governmental agencies. This permit must be renewed by the expiration date above. If billing for renewal fee required by Rule 301(c) is not received by expiration date above, please contact the District.
