Capacity	Equipment Description
0	WamFlo Front Dust Collector, Model # FNS2J12PV (District Permit C012524)

CONDITIONS:

1. Operation of this equipment shall be conducted in accordance with all data and specifications submitted with the application under which this permit is issued unless otherwise noted below.

[District Rule 204]

2. The owner/operator (o/o) shall maintain this equipment in strict accord with those recommendations of the manufacturer/supplier and/or sound engineering principles which produce the minimum emissions of air contaminants.

[District Rule 204]

3. This equipment and associated operations shall not discharge an exhaust stream that exhibits opacity greater than twenty percent (Ringlemann 1).

[District Rule 401]

4. This equipment shall not produce more than 1,000 cubic yards per day and not more than 100,000 cubic yards of concrete per year (rolling 12 month summary).

[District Regulation XIII]

5. The o/o shall ensure that the materials used in the equipment contain sufficient natural and/or added moisture to preclude violations of District rules 401, 402, 403 and Regulation XIII. These rules pertain to opacity, dust blowing off of the property, nuisance and new source review. The o/o shall maintain sufficient water and equipment for its application in operable condition and on-site, and use it as necessary on material piles, haul roads, and in the plant to prevent violations of the above rules.

[District Rule 204]

6. A daily production and operations log (in electronic or hardcopy format) shall be maintained current and on-site for two (2) years, and shall be provided to District personnel upon request. This log shall contain, at a minimum:

- a. Daily cubic yards batched (summarized monthly).
- b. Monthly visible emissions determinations (using USEPA Method 22, and USEPA Method 9 if necessary).
- c. Date and nature of any system repairs.

[District Rules 404 and 405]

7. A facility wide Comprehensive Emission Inventory (CEI) for all emitted criteria and toxic air pollutants must be submitted to the District, in a format approved by the District, upon District request.

[District Rule 107(b), H&S Code 39607 & 44341-44342, and 40 CFR 51, Subpart A]
