#### **CONDITIONS:**

1. This equipment shall be installed, operated and maintained in strict accord with the recommendations of the manufacturer and consistent with all information submitted with application under which this permit is issued, unless specifically exempted hereunder. [Rule 204]
2. This unit shall not be operated unless all water sprays associated with this permitted equipment are in operation. [Rule 1303]
3. Materials processed shall contain sufficient natural and/or added moisture to preclude violations of District rules 401, 402 and 403. Sufficient water and the equipment for adding it to the process and unpaved roads on the facility shall be maintained in operable condition at all times. [Rule 204]
4. The combined facility throughput shall not exceed 124,000 tons per month and shall not exceed 1,490,000 tons per year. These material throughput limits are the combined throughput from equipment permitted as B011167, B012614, B011714 and B012704. To ensure compliance the owner/operator shall maintain monthly throughput records for each permitted piece of equipment and maintain combined monthly and yearly totals. These records shall be maintained at the facility and shall be made available to District, State, or Federal officials upon demand. [Rule 1303]
5. A log for this equipment shall be maintained current and on-site for a minimum of two years, and shall be provided to District personnel upon request. The following information shall be recorded:

Fee Schedule: 1 (b)      Rating: 95bhp      SIC: 2875      SCC: 50100799      Location/UTM(Km): 473E/3956N

This permit does not authorize the emission of air contaminants in excess of those allowed by law, including Division 26 of the Health and Safety Code of the State of California and the Rules and Regulations of the District. This permit cannot be construed as permission to violate existing laws, ordinances, statutes or regulations of this or other governmental agencies. This permit must be renewed by the expiration date above. If billing for renewal fee required by Rule 301(c) is not received by expiration date above, please contact the District.
