odors at the propertyline to below detectable limits.
[District Rule 402]

4. The biofilter media shall be replaced at a frequency that is in accordance with manufacturer's specifications. Facility shall notify the District prior to filter media replacement and/or upon odor breakthrough.
[District Rule 1302(C)(2)(a)]

5. The owner/operator shall maintain a log on-site which includes at a minimum:
a. Records of any maintenance, malfunction, and repairs (including the biofilter media change outs);
b. Record of all odor complaints and corrective actions as necessary; and
c. Results of fence line odor surveys. This log shall be maintained on-site for a minimum of two years and provided to District, State, or Federal personnel upon request.
[District Rule 1302(C)(2)(a)]

6. The facility must submit accurate emissions inventory data to the District, in a format approved by the District, upon District request.
[District Rule 107(b), H&S Code 39607 & 44341-44342, and 40 CFR 51, Subpart A]
