Fort Irwin, CA 923105085

Description:
SPRAY GUN consisting of: Building 873. Devilbiss, model number JGHV-530, serial number 2, airless spray gun. This equipment may be used outside of any spray booth. Paint will be used on vehicles and, therefore, shall comply with the rules mentioned in Condition number 1 below in their entirety.

CONDITIONS:

1. All coatings and solvents shall comply with District Rules 1115 and 1116 in their entirety. These rules pertain to Metal Product Coating Operations and Automotive Refinishing Operations.

2. No photochemically reactive portion of the coating is permitted. This includes the coating as purchased and any solvents which may be used as diluent, thinner, reducer or cleaner.

3. The owner/operator (o/o) shall operate only one piece of equipment described in this permit at a time and then in strict accord with the recommendations of the manufacturer/supplier and/or sound engineering principles which produce the minimum emission of air contaminants. Spray equipment shall be given unique identification marks attached thereto prior to use under this permit.

4. The o/o shall maintain a daily log which includes all of the following:
a. use of all VOC, inclusive of all mentioned in Condition 1. above;
b. quantity and description of all VOC containing materials mentioned in Condition 1. above; and

Fee Schedule: 7 (c)	Rating: 1 device	SIC: 9711	SCC: 99999999	Location/UTM(Km): 529E/3902N

This permit does not authorize the emission of air contaminants in excess of those allowed by law, including Division 26 of the Health and Safety Code of the State of California and the Rules and Regulations of the District. This permit cannot be construed as permission to violate existing laws, ordinances, statutes or regulations of this or other governmental agencies. This permit must be renewed by the expiration date above. If billing for renewal fee required by Rule 301(c) is not received by expiration date above, please contact the District.
